Cross Border Employment & Advice Fair a huge success

Eures together with Dundalk Chamber of Commerce organized a **Cross Border Employment & Advice Fair** in the Marshes Shopping Centre last Friday. There were 32 stands in total at the event and a CV Clinic was held twice during the day which was organized by JOBS Club.

The event was attended by both local employers and northern companies, locally based Employment Advice Agencies and a number of Cross Border Advisers who assisted those interested in employment and career development options both north and south. There were vacancies in numerous companies and these were displayed on the Jobs Board. The stands received numerous enquires throughout the day.

Dundalk Chamber is part of a European Commission network called EURES (European Employment Services). EURES advisers are trained specialists who provide information and guidance to jobseekers and employers interested in the European labour market and Cross Border Working. The EURES service is free of charge.

Local training providers and educational institutions were on hand to give advice to persons looking for employment and to further their education.
