

## **Plans underway for Festival of Light & Culture**

Planning is underway for the 5<sup>th</sup> Annual Festival of Light and Culture 2014 with TITAN the ROBOT already booked to appear at the town wide seasonal event.

The committee are hopeful of an even better event with the Chamber / BIDS Office and Town Retailers working together to deliver yet another fantastic entertainment programme. The success of the Guinness World Record Santa Run has provide a welcome boost and the news of it's confirmation for 2014 is fantastic – Yes Folks yet another World Record attempt is being planned in 2014.

This event will bring the curtain down on a hugely successful year for Dundalk following the Ulster Dance Championships in June and November and lest not forget the World Renowned Giro D'Italia cycle race in May.

The committee are looking for ideas to add to the Festival of Light and Culture programme and Volunteers are welcome.
