Dundalk Chamber Welcomed The Brazilian Embassy

Dundalk Chamber hosted another very successful Embassy visit when The Brazilian Embassy came to Dundalk to meet local companies in order to forge business links.

Counsellor André Baker Mélo Head of Trade, Investment & Tourism visited Dundalk on Wednesday 3rd December for a series of one-to-one meetings with various companies from around the North-East. This is just one in a series of many visits which Dundalk Chamber has organized.

The meetings took place in Oriel Hub in the Finnabair Business Park.

Counsellor Baker Mélo was delighted with the number and variety of contacts and was sure that the visit would enhance trade in both directions. He also stated that a representative from the Brazilian Embassy would be delighted to visit Dundalk in the future to meet with more companies in the hope of forging business links between Ireland and Brazil.

This is just another example of the Chamber creating new links for local companies.

Due to the success of the meetings, Dundalk Chamber will play host to more Embassies in the New Year details of which can be found on www.dundalk.ie

If your company would like to attend one of these free meetings please call Annmarie in Dundalk Chamber on 042 9336343 or email projectadmin@dundalk.ie
