

PRESS RELEASE

Eures IE/NI Cross Border Speed Networking for Employers, Start Ups and Business owners

21st August 2015

Calling all Employers, Businesses and New Starts-ups

Are you an employer and want to know about the support you can obtain? Are you looking to expand and or recruit? Want to find out what support is there for you?. Which funded programmes will help you grow your business and recruit new staff? Do you need to secure finance? Thinking of entering new markets? Do you need help on how to survive? Want to start your own business? Are you unsure of where to look for guidance, support and advice?

If the answer is 'YES' to any of these questions come to the Eures IE/NI Cross Border Speed Networking Event which takes place on Wednesday the 30th September 2015 in Bellingham Castle, Castlebellingham between 9.30am-12.30pm.

Networking is essential to expand your knowledge, grow your business, gain new customers, clients and contacts. Getting face to face with a potential funder, support organization, client or partner is a most effective way of doing business.

That is why the Eures Cross Border Partnership in conjunction with Dundalk Chamber of Commerce will host a FREE Cross Border Speed Networking Event, guaranteeing delegates the opportunity to meet a large number of organizations that they might never otherwise have had the chance to network with.

Support Agencies catering for the needs of employers and businesses located within the Newry Dundalk region will be attending this unique event. This event will provide an ideal opportunity for local employers and businesses to speak to relevant Support Agencies in one morning, on a one-to-one basis, under one roof!

Dundalk Chamber is part of a European Commission network called EURES (European Employment Services). EURES advisers are trained specialists who provide information and guidance to jobseekers and employers interested in the European labour market and Cross Border Working. For more information on Eures log on to www.eures-crossborder.org

Michael Gaynor President of Dundalk Chamber is delighted that the Chamber along with Eures IE/NI Cross Border Partnership are organizing this event. "There is an array of support programmes currently offered to local employers and businesses; however, there is some confusion within the business community about where to look for this support and exactly what they can avail of. The aim of this event is to provide a forum where employers and businesses can find out all they need to know about the support they can and should avail of".

Confirmed exhibitors at the event include, EURES IE/NI, Department of Social Protection, Department of Employment & Learning, InterTradelreland, Newry & Mourne District Council, Bank of Ireland, Southern Regional College, Regional Development Centre and all of the main lending institutions, plus many more.

This event is open to all businesses and entry is free of charge. To register for the event or if you require further information, please call Brenda in Dundalk Chamber on Tel: 042 9336343 or email Brenda@dundalk.ie Light refreshments will be served.
